In 2009, we as Believers mustn't be moved by what we hear and/or see. We must only be led by the Spirit of our Living God! We must remain grounded on the Word of God and use the Power of the Greater One living in us to overcome challenges, circumstances and obstacles. Thus, this will then be a Great Year of Manifestations, because of our Authority in existence. Because of the challenges ahead, many unbelievers will begin to look to the believer for answers and guidance. We must be careful not to become self-exalted because of this, but rather allow our lives to be a testimony unto **Jesus Christ**. **We must keep our focus on Jesus and allow our compassion for the lost, sick, and etc. to be developed on a consistent and constant basis. Don't forget that we've ALREADY overcome by the Blood of the Lamb and the word of Our Testimony! We must be prepared for what lies ahead. How do we prepare? By seeking God, aligning ourselves (spiritually first) in position to hear and receive and then executing the specifics given to us by God. Keep in mind that God hasn't forgotten about His people and that He will take care of us. However, we must do our part by obeying and being willing to carry out His Word!**

If there is anything we truly need in this New Year, it is to get closer to God, to grow in the love of our Savior, and to carry out His will for our lives. That will carry us through no matter what the river of time may bring our way ~ and you'll say **VICTORY IS MINE IN 2009**.

#### Thoughts to Share

'To get something you never had, you have to do something you never did.' When God takes something from your grasp, He's not punishing you, but merely opening your hands to receive something better. Concentrate on this sentence... 'The will of God will never take you where the Grace of God will not protect you.'

## Prayer wheel for our soldiers...please don't break it

When you receive this, please stop for a moment and say the following prayer for our troops around the world -

'Lord, hold our troops in your loving hands. Protect them as they protect us. Bless them and their families for the selfless acts they perform for us in time of need. I ask this in the name of Jesus, our Lord and Savior. Amen.'

There is nothing attached. This can be very powerful. Just send this to all the people in your address book. Do not stop the wheel, please...

Of all the gifts you could give a Soldier, Sailor, Airman, Marine, Chaplain & others deployed in harm's way, prayer is the very best one.
